

MAE/ME/Notice/2023/05

Date: 09 March 2023

It is pleased to inform you that Department of MAE and ME is installing an ASME student section for the development and engineering skills of students. American Society of Mechanical Engineers (ASME) is a not-for-profit professional society that develop solutions for real world challenges.

**The key features of this membership:**

Gain learning through E- Fests workshops and hands on design Competitions, heckathons to conversations with practicing engineers, social activities.

**The student membership fee is \$9 per student**

**Joining ASME is the most important connection a current or future Mechanical Engineer can make! Become an ASME Member today at [www.asme.org](http://www.asme.org)**

Interested students may fill the below form:
